

Westwood Family Aquatic Center

Features Voting Sheet

Public Meetings:
 March 23rd & 24th, 6:30pm
 at City Hall Council Chambers

WE NEED YOUR INPUT

Please take a few minutes to review features (images on back) that could be included in the new Westwood Family Aquatic Center. Use this sheet to identify and rank your top features for each of the 3 categories that you would like to see be a part of the new aquatic center. Your preferences will be used in determining which features will be included in the design.

Large Cost Features

The items listed within this category are ones that are the most expensive.

Moderate Cost Features

The items listed in this category come at a lesser cost than that of the large cost features

Water Slides

There are a variety of choices for water slides. If water slides are of high preference, one or more slides will be considered for the aquatic center.

Please rank the features for each category. 1 = TOP PRIORITY
