PETITION TO THE CITY COUNCIL OF NORMAN, OKLAHOMA

We urge an immediate move forward to develop the Indoor Aquatic Facility approved by voters in the Norman Forward election: We recommend the immediate appointment of an ad hoc committee to work with Norman staff and officials to acquire land and enter into a contract with a qualified contractor to manage the facility. We urge the early identification of the management contractor to allow inclusion of their input into construction of the best facility to meet the needs of our growing community as well as identify the most efficient type of structure for operations.
